Worldwide partnerships

Belfine considers its clients as true partners. Firm partners with whom we build a long term relationship based on pure enthusiasm! Our mission is to focus on flexibility and reliability with enough space for being creative and innovative.

Decorated Belgian Chocolate *from* The Chocolate Country®

To make quality chocolate, we need quality cocoa. Our chocolate supplier is working directly with cocoa farmers and farmer cooperatives, to enable them to improve the quality of their farms. As a result they can produce more and better quality cocoa in a sustainable and responsible way, thereby increasing their incomes and improving their livelihoods.

Social *responsibility*

This fits perfectly in our mission to Make People Happy! Not only our customers benefit, but also the cocoa farmers. Today all Belfine chocolate lollipops are made with sustainable grown cocoa beans.

The *perfect* gift

What can be a better gift than a Belfine chocolate? That's why we offer you a wide range of high quality and original gift packaging possibilities. Together with the customer an original and exclusive packaging can be developed starting from agreed minimum quantities.
