Beer pairing is hot right now. So, which dishes form an excellent combination with the beers from Brasserie de Silly?

The *Titje Blanche* with its aromas of citrus and yeast goes well with crustaceans, mussels, roast or smoked fish and desserts containing fruits.

Silly’s blonde specialty beers (*Abbaye de Forest*, *Double Enghien Blonde*, *Enghien Noël*) make an excellent aperitif. They’re also highly recommended in combination with salads, roast red or white meat, hard cheeses, goat’s cheese and fruit desserts.

The aromatic amber beers (*La Divine*, *Super 64*, *Silly saison*) are delicious paired with foie gras, game, meat in a sauce, smoked fish, blue cheese and desserts with caramel.

The dark beers (*Scotch Silly*, *Double Enghien Brune*) are ideally partnered with crustaceans, Asian dishes, red meats, processed meats from the deli, game and chocolate puddings.

The *Pink Killer* is an aperitif beer or dessert beer par excellence.

The *Silly Pils* and *Silly Bio Pils* are well suited to accompany typical brasserie dishes such as steak tartare, a hamburger or just with a delicious portion of frites.
