WE
ARE

TAKING
CARE

OF OUR PLANET

The synthetic **foam** protection on top of our lollipops
is replaced by paper cushions
which are 100% recyclable.

Let's Make
People Happy!

All Belfine lollipops are
packed per 24 pieces instead
of 21 pieces; more lollipops on
a pallet, less transport and
less CO2 emission.

The plastic blister under the
lollipop tray is removed and replaced by
a cardboard tray.

All cardboard is **FSC certified**
(sustainable forestry: for each
tree cut, a new one is planted)

All lollipops are individually
wrapped in a transparent
Belfine branded bag.

All Belfine lollipops are
Fairtrade cocoa certified.

Fairtrade cocoa farmers are paid a
Fairtrade Minimum Price for their goods,
which acts as a safeguard when market prices drop.

On top of the Minimum Price,
farmer organizations also receive a
Fairtrade Premium which they invest in projects
of their choice. Many farmers have used the
Premium to improve their businesses and production,
replacing old trees and investing in better facilities for
crop collection, storage, and transport, or processing.

A perfect match with our mission

Exclusive *Designs*

All chocolate lollipops and figures are unique since they are all designed in-house, given a personal name and protected by copyright.

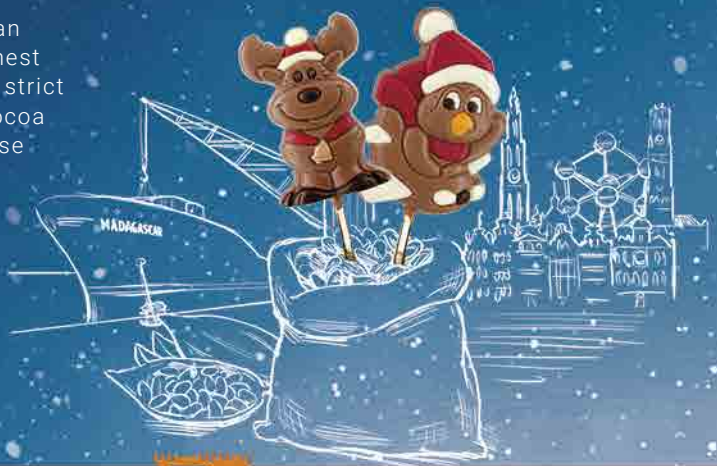

High *Quality Standards*

The harmony between modern technology and experienced craftsmanship guarantees a permanent level of high quality throughout the manufacturing process while meeting HACCP and BRC-standards. We are delighted to have reached the BRC certificate Grade AA+. It's the highest quality certification that you can achieve. Moreover, the extra "+" is referring to the fact that the audit was unannounced. An extra accomplishment!

Premium *Belgian Chocolate*

Only premium quality Belgian chocolate made with the finest ingredients and based on a strict selection of Madagascar cocoa beans is used to create these delicacies.

Worldwide *Partnership*

Belfine considers its clients as true partners. Firm partners with whom we build a long term relationship based on pure enthusiasm!

Our mission is to focus on flexibility and reliability with enough space for being creative and innovative.

Social *responsibility*

To make quality chocolate, we need quality cocoa. Our chocolate supplier is working directly with cocoa farmers and farmer cooperatives, to enable them to improve the quality of their farms. As a result they can produce more and better quality cocoa in a sustainable and responsible way, thereby increasing their incomes and improving their livelihoods.

All Belfine lollipops are made with Fairtrade cocoa. Fairtrade cocoa farmers are paid a **Fairtrade Minimum Price** for their goods, which acts as a safeguard when market prices drop. On top of the Minimum Price, farmer organizations also receive a **Fairtrade Premium** which they invest in projects of their choice. They use it to improve their businesses and production, replacing old trees and investing in better facilities for crop collection, storage and transport, or processing.

This fits perfectly in our mission to **Make People Happy!** Not only our customers benefit, but also the cocoa farmers.
