

COLAC

ON TOP OF YOUR CREATIONS

Flavouring for ice cream, dessert and cream preparations

An abundance of flavours for all your desserts!

Flavours are personal. What do you like to taste in a refreshing ice cream coupe: bittersweet chocolate, coffee, sweet banana or the mild flavour of raspberry?

You can find it all in our wide assortment of flavours for ice cream and pastries. The careful selection of raw materials ensures an excellent quality of the Colac products.

The pasto's are easy to use in all your preparations, whether it's ice cream or pastry.

Ice cream with yoghurt flavour and Amarena cherries

5 l Whole milk
1 kg Colac icecream paste
0.6 kg Sugar
0.35 kg Dextrose
0.015 kg Improver special
0.015 kg Stabiglance
0.28 kg AR Yoghurt 40
0.7 kg Amarena cherries
on syrup

Blend all dry ingredients and mix thoroughly with the whole milk and the icecream paste. Heat up the mixture (while constantly stirring). Once the temperature reaches 85°C, cool the mixture down to 5°C. Add the yoghurt flavour and mix well. Put the mixture in the batch freezer. When coming out of the batch freezer stir the Amarena cherries into the ice cream.

Passion fruit panna cotta

1 l Cream 40%
0.1 kg Sugar
3 leaves of Gelatine (6 gr)
1 Vanilla pods
0.15 kg Pasto Passion fruit

Soak the gelatine leaves in water. Mix the cream and sugar, add the vanilla pods and heat up to 40°C. Add the gelatine leaves and the Pasto Passion fruit. Thoroughly stir the mixture and remove the vanilla pods. Pour into bowls and cool them to 4°C. Finish the bowls with Sundae Tropical fruit.

Strawberry ice cream

2 kg Ice cream powder
Neutral 10030
6 l Whole milk (pasteurized)
0.6 kg Pasto Strawberry

Thoroughly mix the ice cream powder Neutral 10030 and the whole milk together. Add the Strawberry pasto and stir well.
