Our story in a nutshell

Everything started in 1947 when *Léon Desobry* baked his own biscuits recipes in his workshop. Decades later, the brand has kept the secret recipes and delights customers from all around the world.

Created with fine culinary excellence, Desobry biscuits are *authentical Belgian products* made with *real Belgian chocolate*, which gives the unique taste of our biscuits!

Day after day, Desobry's main concern is the elaboration of biscuits that are synonymous of *refinement, pleasure and discovery*.
